Living Will

Declaration made this _____ day of _____ 2____, I _____
willfully and voluntarily make known my desire that my dying not be artificially prolonged under the circumstances
set forth below, and I do hereby declare that, if at any time I am incapacitated and

☐ I have a terminal condition.

or ☐ I am in a persistent vegetative state,

and if my attending or treating physician and another consulting physician have determined that there is no reasonable

withdrawn when the application of such procedures would serve only to prolong artificially the process of dying, and
that I be permitted to die naturally with only the administration of medication or the performance of any medical
procedure deemed necessary to provide me with comfort care or to alleviate pain.

It is my intention that this declaration be honored by my family and physician as the final expression of my legal right
to refuse medical or surgical treatment and to accept the consequences for such refusal.

ADVANCE DIRECTIVE WALLET CARD

It's important that your health care provider know that you have executed an advance directive. It's also important for any treating physician to be aware that you have an advance directive. A wallet card is one way to do this. Fill out the card, then cut it out and carry it with you at all times.

To fold the card to fit in your wallet, follow these steps:

*Step 1 - Cut the **outer border** of the card below.*

*Step 2 - Fold on the **dotted line** first with words facing out.*

*Step 3 - Fold on the **solid line** so the side with "Notice to Health Care Providers" is on both sides.*
